1. Place a big glass directly under the juice spout of Braun's TributeCollection Citrus juicer CJ 3050.
2. Squeeze the oranges and the lemon.
3. The juice will flow directly into the glass – spotless, fast and easy.
4. Add the apple juice and sugar.
5. Stir well and add ice cubes.
6. Enjoy!

This recipe was prepared using Braun's TributeCollection Citrus juicer CJ 3050.
